Independent Auditors' Opinion

To the management of KIPRED – Prishtinë, Kosovë

We have audited the accompanying of cash receipts and disbursements (the "Statement") of the Kosovar Institute for Policy Research and Development ("KIPRED"), for the period January 01, 2007 to March 31, 2008 and a summary of significant accounting policies and other explanatory notes. Management of KIPRED is responsible for preparation and fair presentation of the Statement in accordance with the cash receipts and disbursements basis of preparation. Our responsibility is to express an opinion on the Statement based on our audit.

We conducted our audit in accordance with International Standards on Auditing (ISA). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the reporting forms are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the reporting forms. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the proper accounting and reporting of the data on the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the accompanying Statement presents fairly, in all material respects, the revenues collected and expenses paid by KIPRED during the period January 01, 2007 to March 31, 2008 in accordance with the cash receipts and disbursements basis.

Bashkim Uka

1. GENERAL INFORMATION

The Kosovar Institute for Policy Research and Development ("KIPRED") was registered under the United Nations Interim Administration Mission in Kosovo ("UNMIK") regulations as a non-governmental organization on November 11, 2003.

On November 12, 2003 KIPRED was separated from the Kosovar Civil Society Foundation ("KCSF"). As at this date fixed assets purchased by KIPRED through funding from the Olof Palme International Centre ("OPIC") totalling EUR 27,939 were transferred to KIPRED together with unspent OPC funded cash balances totalling EUR 83,308 as at that date.

KIPRED is a foundation whose mission is the introduction of democracy and democratic values into the Kosovo region. KIPRED's activity is organized into two pillars: training and policy research.

The training pillar is focused on the development of political parties through its Internet Academy for Democracy, which is a modern training method, and which is organized in cooperation with International Center Olof Palme from Sweden. The research pillar offers independent research of politics in the field of government and administration, development of political parties, regional and international relations.

KIPRED is supported financially from the Olof Palme International Center, the Rockefeller Brothers Fund, the East West Parliamentary Practice Project as long term donors. KIPRED also makes other agreements with different donors for short term projects.

2. BASIS OF PREPARATION OF THE STATEMENTS

2.1 General

The Statement of Cash Receipts and Disbursements has been prepared for the purpose of reporting to donor "Olof Palme International Center" under the contracts for 2005 and 2006 and to other donors on the activities of the KIPRED in compliance with donor project objectives.

2.2 Accounting Convention

The Statement has been prepared in accordance with the cash receipts and disbursement basis of accounting. On this basis revenue, being grant funding, is recognized when received rather than when earned, and expenses are recognized when paid rather than when incurred. Fixed assets are not capitalized for purposes of this Statement.

2.3 Reporting Currency

The KIPRED books and records are maintained in EUR, the legal currency of the territory of Kosovo. Transactions in currencies other than EUR are translated into EUR at the relevant exchange rate ruling on the date of the transaction.
